

AdventHealth Manchester is an equal opportunity employer and provider.

 February is Heart Health Month

# Keep Your Heart Healthy Quit Smoking.

Smokers are up to six times more likely to suffer a heart attack, but there is hope. One year after quitting, your risk may drop by more than half.

If you are interested in quitting, call our Community Outreach Coordinator at (606) 598-1095 for more information on how you can achieve FREEDOM from Smoking®!

For more heart healthy tips, log on to [www.adventhealthmanchester.com](http://www.adventhealthmanchester.com).
