Forest Service, Partners Host Kids Fishing Derbies

Fees waived at lake boat ramps

WINCHESTER, Ky., May 22, 2017 – In recognition of National Fishing and Boating Week, the Daniel Boone National Forest and partners will host several kids fishing derbies during the first two weekends in June. In addition to fishing derbies for kids, no fee permit will be required to use boat ramps outside of developed campgrounds at Cave Run Lake or Laurel River Lake on Saturday, June 3 and Sunday, June 4. Kentucky provides free fishing days each year during the first weekend in June. Residents and nonresidents at any age can fish public waters without a fishing license or trout permit. State creel limits and other regulations still apply. The following fishing derbies are hosted by the DBNF and local partners.

Date	Fishing Derby Location	Time	Ages	Phone

Numerous sponsors have provided prizes and trophies for each fishing derby. Participants must be in the specified age range for their fishing derby location to be awarded prizes. At some locations, fishing bait will be provided as supplies last, and a limited number of fishing poles will be available to borrow. However, to ensure that all children have an opportunity to fish, parents or chaperones should bring bait and a fishing pole for each child. Only one fishing pole per participant is allowed. The fishing derbies are free, and a lunch and drink will be provided for registered participants at each event. Registration for the fishing derbies begin one hour prior to the scheduled time. Children must be accompanied by an adult. Prior to the fishing derbies, public fishing is will not be permitted at derby locations from the day that fish are stocked until the end of the event.
