Carol Sue Hensley

Carol Sue Hensley was born September 18, 1956 in Clay County and departed this life Wednesday, August 29, 2018 at her residence in Tyner, being 61 years of age. She was the daughter of the late Odell & Georgia (Metcalf) King.

Sue is survived by her husband, Kenny Hensley of Tyner and by one daughter, Leeann Hensley of Tyner and her fiancé Jared Smith of Annville. She is also survived by two sisters, Debbie Metcalf and her husband Gary of Tyner and Loretta Osborne and her husband David of Tyner. Sue was blessed with a host of nieces and nephews.

In addition to her mother, Sue was also preceded in death by a sister, Mary Kathy Allen.

Sue was a member of the Union Baptist Church and an Eastern Star.

Funeral service will be 2:00 PM Sunday, September 2, 2018 at Lakes Funeral Home with Bro. Bob Burchette officiating. Burial to follow in the Neeley Cemetery. Pallbearers were Jamie Baker, Shane Vickers, Jason Metcalf and Travis Bingham.

Lakes Funeral Home was in charge of arrangements.

Thank You

We would like to say on behalf of Jerry A. Peters family a big thank you to everyone that has helped the family during this time. Thank you to Carol de Forest for his kind words and the personal touch he added to the service.

Thank you to Pastor David Taylor for his kind words of comfort, his personal observations of Jerry, and his comforting message. Thanks to Oak Grove Baptist Church, Gray Hawk Reformed Church, and the Annville Reformed Church.

Thanks to Daniel Boone Transit for the food they brought to his house and the transportation to the doctors over the past few years. Thanks to the Laurel Home Guard, and lots of Jerry and Karen's friends and neighbors who brought food and fellowship--Connie, Detra, Carolyn, Kathy, Gina, Dana, Ramona, Kiara and Matt, and any others that have helped in any way. We extend a special Thank You to Virgil Hollan, he came without hesitation when ever he got a call that Jerry and Karen needed his help. Thanks to all the doctors and nurses for trying to get his many ailments under control. He always liked to cut up with his doctors and nurses and they loved to cut up with him also. A special thank you to Vanessa, and his other Home Health Nurses. Thank You to the Emergency Response workers that came to help him so many times this past year. Thanks to Kathy and Henry Smith for all they helped out with (mowing, arranging for a place to gather after the service, and the special service Henry and the others performed). Jerry would have loved the send off his good friends gave him during the grave side service.

A big thanks to Henry Smith, Eddie Belvins, Gene Gatts, Bob Wilson, and Willie Martin for the special service they did. This sure let people know how much Jerry was cared about by his friends. Thanks to Jessica Van Zant for the song "Go Rest High on that Mountain."

Thank you to all who came and visited with us, those that sent flowers, cards, food, and prayers. Thanks to all friends and family who came to the service and fellowship afterwards. Thanks to everyone that has kept Jerry in your thoughts and prayers during Jerry's long battle these last few years.

His battle is over, our sadness will slowly be replaced by good and special memories. His wife, Karen, really appreciates each and everyone who has been a help during this time. We would also like to thank the Lakes Funeral Home for all they did for us.

Please have all Obituaries and In Memories in by 12:00 on Tuesday.

Governor Proclaims September as Preparedness Month

FRANKFORT, Ky. (August 30, 2018) – In conjunction with National Preparedness Month, Gov. Matt Bevin has proclaimed September as Preparedness Month in Kentucky.

Kentucky Emergency Management urges Kentuckians to “BE AWARE – BE PREPARED – HAVE A PLAN – MAKE A KIT.” Visit <https://www.ready.gov/september> for a host of ideas throughout National Preparedness Month.

Kentuckians face threats to their safety and property throughout the year; from tornadoes, flooding, straight line winds, lightning, winter storms, man-made hazards, to daily emergencies. Every household and every business should be prepared to face these challenges at any given time. Disasters can occur at anytime, anywhere in Kentucky.

As we have all seen recently with the devastating hurricanes and wildfires of 2017, preparedness can make the difference of saving your life or your family. Supplies such as water, non-perishable food, flashlights and batteries, radios and first aid kits are easy to store, and can be lifesavers when a crisis hits. A communication plan with family, friends and neighbors is also very important.

Michael Dossett, director of Kentucky Emergency Management (KYEM) stated, “During National Preparedness Month, the theme, “Disasters Happen. Prepare Now. Learn How!” is a great opportunity to remind our family, friends and neighbors of the importance of planning ahead, highlighted by the extreme impacts from the national disasters of 2017”. Dossett suggested activities such as “build a kit, make a plan, learn life saving skills or just checking to see if your insurance policies are in a safe place” are all positive step in preparedness.

PLANNING FOR DISASTER: “BE AWARE – BE PREPARED – HAVE A PLAN”

Be Aware:

Stay informed about risks in your communities and monitor weather forecasts.

Own and monitor a battery backed-up or crank-type NOAA Weather Alert Radio. During threatening weather, stay tuned to your local broadcast stations.

Discuss conditions with family members and know their locations during dangerous weather.

Be Prepared:

Discuss known risks with family members and neighbors. Develop and review your emergency plan periodically and update of necessary.

Assemble an emergency kit(s) and refresh periodically. A kit should have enough food, water and medications for each family member for five days.

Drill: practice your plan with household members.

Have a plan:

Share your plan with others, including friends or relatives in another region or even another state

Medications - prepare a list of all prescription drugs.

Utilities - Written instructions for how to turn off electricity, gas and water; if authorities advise you to do so. (Remember, you'll need a professional to turn them back on.)

Shelter - Identify safe locations within and outside your residence.

Contacts - Written contact information for relatives, neighbors, utility companies, employers/employees and local emergency contact telephone numbers.

Evacuate - Predetermine evacuation routes. Identify where you could go if told to evacuate. Choose several places, such as a friend or relative's home in another town, a motel or shelter.

Children - Make backup plans for children in case you (or they) can't get home in an emergency.

Vehicles - Keep jumper cables in all vehicles at all times.

Maintain at least a half tank of fuel in vehicles.

Move vehicles away from under trees during possible wind events.

Keep an emergency kit in all vehicles.

During winter months, keep a blanket and bag of kitty litter in the trunk.

Medications - prepare a list of all prescription drugs.

Pets - have at least a 3 day supply of food and water for each pet.

Have carriers, a collar or harness with ID tag, rabies tag and a leash; familiar items such as treats, toys and bedding can help reduce stress for your pet.

Share your plan with others, including friends or relatives in another region or state.

Make an emergency kit:

First aid kit and essential medications (to include prescription medicines).

Canned food and can opener

At least three gallons of water per person

Protective clothing, rainwear and bedding or sleeping bags

Battery or crank powered radio, flashlight and extra batteries or crank recharging stations that are capable of recharging cell phones, tablets, laptops, etc.

Waterproof matches and candles

Local phone book

Special items for infants, elderly or disabled family members

Extra set of car keys

Cash – as much as you can afford!

Donate blood, Y'ALL!

Kentuckians encouraged to give blood

Kentucky Blood Center (KBC) is encouraging Kentuckians to roll up their sleeves, donate blood and help Kentucky patients.

As a thank you, those who register to give blood at the drive below will receive this fun "Donate blood, y'all" T-shirt.

Bond Baptist Church

Sat., Sept. 15 from 9 am - 1 pm

on the KBC Bloodmobile

at 5355 Hwy 3630 West in Annville.

Blood donors must be 17-years-old (16 with parental consent), weigh at least 110 pounds, be in general good health, show a photo I.D. and meet additional requirements. Sixteen-year-old donors must have a signed parental permission slip, which can be found at kybloodcenter.org.

To schedule a donation, visit kybloodcenter.org or call 800.775.2522.

About Kentucky Blood Center

Celebrating 50 years of saving lives in Kentucky, KBC is the largest independent, full-service, non-profit blood center in Kentucky. Licensed by the FDA, KBC's sole purpose is to collect, process and distribute blood for patients in Kentucky hospitals.
