

Healthy Holidays!

AdventHealth Manchester is an equal opportunity employer and provider.

Protect Your Child

Children ages 5 to 11 can receive the COVID-19 Vaccine

- Children in this age group tend to experience fewer side effects than adolescents or adults.
- While children 5 to 11 receive a smaller dose of the Pfizer vaccine, those over 12 receive an adult dose.

Call 606-599-4080 to schedule your vaccination.

This Vaccine Confidence Program is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$495,290.00 with 0 percentage financed with nongovernmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government.
